Good After Sarah,

The tree is in fact a Lime and not an Oak. Sorry for any inconvenience.

Kind regards  
Kerri

Good Morning

Thank you for submitting a tree works application for the above location.

To allow me to register your application please could you clarify the following.

Oak (12636) - The protected tree at the location marked on your map is a Lime. Please could you confirm the species of the tree you are intending to work on and confirm this address is located at 194 Midanbury Lane.

If you can email me this information I will add it to your application.

I have attached your application should you need to refer to it.
