- The trees affected including species and location

The scots pine tree was damaged in the recent storms (next to front drive). It lost one of the 2 main branches which

Trees protected by TPO should be numbered according to the First Schedule of the Tree Preservation Order. For example –T3 oak; two beech and one birch in G2.

You must identify the trees on a sketch plan showing the location in relation to building(s), named roads and boundaries.

Please state the reference number you have given the plan (as described above):

8. Trees –Reasons For Works

This section only needs to be completed if you are seeking consent for proposed works to trees under a Tree Preservation Order (TPO).

Please state the reasons for carrying out the proposed works on the tree(s):

Damage during the recent storm.

Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application must be accompanied by the documents specified.

Health or safety of the tree(s) –e.g. it is diseased, fears that it might break or fall:

Yes No

If Yes, information required –report by a tree professional (e.g. arboriculturist, horticultural adviser).

Alleged subsidence damage: Yes No

If Yes, Information required: Full report by an engineer or surveyor, together with one from a tree professional –to include date and description of property damage; sub-soil type and shrinkage potential; location of any roots found and their identification; history of ground and building movement through a distortion survey and/or level or crack monitoring over suitable period; other vegetation in the vicinity and its management since discovery of the damage.

10. Application For Tree Works –Checklist

Please use this checklist to ensure that the form has been completed correctly and that all relevant information is submitted. For works to trees protected by a Tree Preservation Order, failure to supply sufficiently precise and detailed information may result in your application being rejected or delay in dealing with it.

In particular, you MUST provide the following:

The original and 3 copies of a completed and dated application form.

The original and 3 copies of a sketch plan showing the location of all tree(s).

The original and 3 copies of a full and clear specification of the works to be carried out.

The original and 3 copies of a statement of reasons for the proposed work.

Evidence in support of statement of reasons.

In particular, you should provide:

The original and 3 copies of a report by a tree professional (e.g. arboriculturist or horticultural adviser) if your reasons relate to the health and/or safety of the tree(s).

The original and 3 copies of a report by an engineer or surveyor, together with one from a tree professional (arboriculturist) if you are alleging subsidence damage.

For works to trees in conservation areas, it is important to supply precise and detailed information on your proposal.

You may, therefore, wish to provide the following:

The original and 3 copies of a completed and dated form, with all questions answered.

The original and 3 copies of a sketch plan showing the precise location of all tree(s).

The original and 3 copies of a full and clear specification of the works to be carried out.

Whether the trees are protected by a TPO or in a conservation area, please indicate which of the following types of additional information you are submitting (the original and 3 copies of each need to be provided):

Photographs.

Report by a tree professional (arboriculturist) or other.

Details of any assistance or advice sought from a Local Planning Authority officer prior to submitting this form.
