Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Since 2011 the 1 bed Bungalow (Annex Building) has been in built and lived all that time. Council tax, water, Electric, Gas, Phone, Internet, TV and Septic tank are all in place and bills have been paid for each every month. In light of the fact that it has been lived in for over 13 years, I would like to apply for a certificate of lawfulness.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Letters from Cheshire Brine Subsidence Compensation Board, North West Water land Registry Document, Building and Contents Insurance Documents, Gas Bills, Boiler Maintenance Documents, Building Regulation Certification, Letters form Cheshire West Council from Building Regulations, Receipt for a Kitchen from 2011, Electricity Bills.
Historical Google Earth Images also confirm the length of time that the annex building has been in place.

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
