In pursuance of its powers under the above mentioned Act, the South Downs National Park Authority as the Local Planning Authority hereby **GRANTS** Planning Permission for the above development in accordance with the plans and particulars submitted with your application received on 13th December 2022.

This permission is subject to the following conditions:-

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

3. The materials used in the construction of the development hereby approved shall be as detailed within the permitted application particulars and shall be retained permanently as such, unless prior written consent is obtained from the Local Planning Authority to any variation.

Reason: To safeguard the appearance of the building and the character of the area.

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice.

Appeals must be made on a form obtainable from the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, BRISTOL, BS1 6PN, Telephone Number: 0303 444 5000, Email: enquiries@planninginspectorate.gov.uk or from the Planning Inspectorate website: <https://www.gov.uk/appeal-householder-planning-decision>

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

As from 6 April 2010 if an enforcement notice has been served in the previous 2 years you will have only 28 days in which to lodge the appeal following the refusal. Equally, if an enforcement notice is served after the refusal it will truncate the period for lodging the appeal against the refusal of planning permission to 28 days after the enforcement notice has been served.

Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
