## Comment Details

Commenter Type: neighbour letter

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: As neighbours of the adjoining residential property we are supporting this application. The current business is efficiently managed providing a valuable local service to dog owners. There have been no issues with regard to traffic entering the site and there have been no problems with noise. We support this application to increase activity to enable the business to be viable in the longer term.
