Name: [REDACTED]

Address: [REDACTED] Ayers Cottages Clement Street Swanley BR8 7PG

Comment Details

Commenter Type: neighbour letter

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: We fully appreciate how hard the economy must be hitting the business and that grooming just four dogs per day cannot possibly provide a suitable income.

As the closest property to the immediate access route from Clement Street, we have not been aware of increased traffic accessing the business and don't believe a few more clients a day will have an impact. The actual business is situated some way from our property so having more clients visiting causes us no issues.

We would therefore support this application.
