Little Gems has provided a safe, nurturing and educative environment for [REDACTED] child to grow and develop. [REDACTED] and staff have become like family to us as Little Gems is a second home to [REDACTED]. The attentiveness given to each child as well as the dedication to the growth and development is incredible. Little Gems not only provides an educative setting in the property but ensures periodically the kids explore their local environment with trips to the park, library, strawberry farm and soft play area. The ease of Little gems being just around the corner [REDACTED] eliminates the hassle of commuting out of our locality. This especially has truly been a life saver for me and my husband.

I am very happy with the service provided by Little Gems and would love to see this local business that has had a positive impact on [REDACTED] development continue.
