Comment Reasons:

Comment: In response to this application I am throwing my support behind little gems! [REDACTED] and her staff provide vital child care to the local area! Herself and staff have been vital in looking after [REDACTED] and other family members over the past few years to which we can't thank them enough! The loss of little gems would be devastating for the local community and I hope members of the council will throw their support behind them and allow them to continue in providing child care for the future ahead! Again me and my family fully support little gems child care - reference- 24/00162
