Details of the pre-application advice received

Dear Catherine
We met on site several years back, and I have received a message regarding a potential re-submission of this application.
Given the previous two consents have been temporary, we don't want to keep issuing temporary permissions. If the mobile home is still required, I would suggest that a new application is made, with the description of development being:
Application for permanent planning permission (following approval refs. DC/19/3082/FUL & DC/15/3476/FUL) for development comprising the siting of a mobile home at the bottom of the garden for use as ancillary accommodation, occupied solely in association with the property known as 32 Gipsy Lane.
I think a permanent planning permission is probably now the best way forward, and its use ancillary to the main house has already been judged acceptable on two occasions, so I do not foresee any issues with such an application (notwithstanding the responses to public consultation).
I hope that helps.

Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff
(b) an elected member (c) related to a member of staff
(d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply?
