

## Heritage Statement

### 1) Broome Barn

- Broome Barn is believed to be a 17<sup>th</sup> Century barn that was converted into a dwelling in 1984.
- It is a thatched barn and a so called 'aisle and a half barn'
- This application relates only to the addition of a 5<sup>th</sup> bedroom on the upstairs landing, which is currently an open space
- No features of the new bedroom are visible from outside the property
- All internal features incorporated when the barn was rebuilt in 1984

## Building Statement

### 1) Broome Barn

- No change will take place to the fabric of the property
