22nd February 2024

Dear Sir/Madam

Notification of Receipt of Prior Approval Application

Application Reference: 24/0235/PNREN

Proposal: Installation of commercial PV to western and eastern facing elevations fixed to steel sheeting with 50mm high aluminium profile and module height is 30mm.

Location: The Feed Mill Lowfields Navenby

Date Registered: 21st February 2024

Terminal Date: 17th April 2024

I acknowledge receipt of your application received on the above date. The application fulfils the requirements of the relevant legislation in terms of its initial validation and therefore you should receive determination as to whether prior approval is required or not within 56 days of the aforementioned date on which the Council received your application. If the case officer requires further information in order to fully assess the application they will be in touch.

If you have any concerns or general queries regarding the progress of your application, then please contact the Planning Administration Section for assistance. It will help the Council if in all communications you quote the application number, **24/0235/PNREN** and the case officer's name, **Cameron Richardson**. You can track your application online at www.n-kesteven.gov.uk/planningonline.

Yours faithfully

Technical Administration Team
