General Notes
Figured dimensions to be taken in preference to scale dimensions. All dimensions to be verified on site before works commence, including levels, falls and such site dimensions.

If you are in y doubt as to conditions, interpretation etc. you must contact the Building Control Officer at the Council offices, or this office before further works are carried out.

Structural conditions, calculations, details of stability and support must be provided as necessary by a civil and or Structural Engineer.

Adequate site investigation must take place before any work commences to ensure that the Contractor is fully aware of all site conditions. To include as necessary, trial holes for foundations, underpinning etc.

IF YOU ARE IN ANY DOUBT WHATSOEVER YOU MUST ASK BEFORE PROCEEDING FURTHER.
