The Surveyor has discussed the Survey in full and I agree to the designs and all other details finalised during his visit. I confirm all special requirements and information relevant to the order, including everything that was discussed with the salesperson, has been disclosed. I therefore authorise Anglian Windows to proceed with the manufacture in accordance with my preferred delivery requirement and the terms and conditions of the contract.

I also confirm that the Anglian Representative has explained and demonstrated, with samples, where colour differences may occur in placing this order. I accept the products and accept that I cannot use the colour difference as a reason to reject the goods or cancel the contract at a later date.
