- Householder development:** Development to an existing dwelling-house or development within its curtilage

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

The following amendments are proposed:

- (a) Reduction of the width of the extension, for the party wall to only be up to 10cm astriding the boundary, to the effect of a lesser development than the approved c.20cm. The top of this side wall is still proposed to be no higher than 2.4m, with the gable end being slightly higher, as originally approved.
- (b) The changing of the material of the rear extension facade to a white brick veneer, from a white stone.

Please state why you wish to make this amendment

The lack of availability and increased cost of materials required the applicant to slightly reduce the scale, and alter the procurement of the extension's materials.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member

It is an important principle of decision-making that the process is open and transparent.
