Details of the pre-application advice received
With regards to pre-application advice being sought a meeting (as well as several emails prior to this) was held on the 16th May 2023 with Ruth Hardingham as well as Lauren Clarkson (who was assisting from a Conservation Area point of view). This meeting (and the email liaison prior to it) focussed on the general proposals (including solar panels on the roof which has been part of an alterative application). Highways, ecology and the general acceptance of cladding the building was discussed. It was indicated that recladding the façade of the building would be welcomed to improve the appearance of the building in the Conservation Area.
Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following:  (a) a member of staff  (b) an elected member  (c) related to a member of staff  (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
