General Notes

Scale for planning purposes only. The Contractor is to check and verify all building and site dimensions before work is put in hand. The Contractor is to check and verify with the statutory authorities and the employer the location and condition of any underground or overhead services or confirm that none exist prior to work commencing on site. The Contractor shall comply with enactment regulations and working rules relating to health and safety and welfare of work people and members of the public who may be affected by the works. The Contractor must ensure that all relevant planning and building control consents and conditions are adhered to or discharged. WORKS TO BE CONSIDERED BY OWNER AGAINST THE PARTY WALL ACT 1996 PRIOR TO WORKS BEING PUT IN HAND OR COMMENCING.

LOCATION PLAN 1:1250
