Dear Sirs,

**Re: Variation of a condition application for Firlie House, Darnley Drive,
Southborough, Tunbridge Wells, TN4 0TH.**

Following the approval of extant consent ref: 23/01971/FULL, the client now wishes to make minor alterations to the outbuilding and house. The proposed changes are minor and do not represent material planning alterations. As such we are now looking to submit a Variation of Conditions application to take account of the changes made.

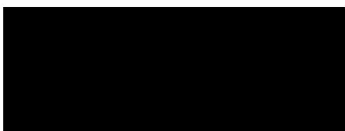

We look to vary 'Condition 2' of the above consent so that the wording of this condition refers to the revised drawing numbers. We request that drawings '8538 PD01 RevA, 8538 PD05 RevA and 8538 PD06 RevA' are to be replaced with '8538 PD01 RevB, 8538 PD05 RevB and 8538 PD06 RevB'.

As such, to support this submission, the following documentation is being provided:

- 1) Application forms completed and signed.
- 2) Revised planning drawings.

I hope the above and submitted information is satisfactory and we look forward to receiving confirmation of validation in due course. If there is anything further you require or wish to clarify, please do not hesitate to contact us.

Yours sincerely,
