Chris said that the existing windows are clearly inappropriate modern windows and that it would be acceptable for the new windows to include slim sealed double glazing units providing they would not affect the size and profile of the glazing bars. Also that the glazing bars would need to be true bars with individual sealed units. The use of hardwood would also be acceptable providing the windows have a painted finish.
Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply?
