**Re: Slurry Lagoon at Sparsholt**

Thank-you for your Sub-Contract Enquiry in respect of the above works. In this regard, we are pleased to provide our quotation as follows:

Item Description	Supply & Installation
2mm Hdpe Geomembrane Liner as Containment lagoon liner Approx 2176m2 Inclusive of anchor trench material	£7.25m2
300 gm Geotextile protector Beneath the liner Approx 2176m2 (if required)	£1.62m2
Mobilisation of materials and resources	£900.00

In clarification of our offer we would bring the following matters to your attention:

1. This quotation includes for all supervision, labour, and materials necessary to carry out the works detailed in one continuous visit to site.
2. We would require that the whole of the works be available prior to the deployment of our resources.
3. We anticipate completing the works within 2 day's subject to favourable weather conditions.
4. Our offer is re-measurable on completion and anchor trench material is measurable.
5. This quotation is subject to payment upon completion of our works.
6. The above rates and prices are subject to the addition of VAT at the standard rate of 20.00% .
7. You are to supply a 14-20T Operated Excavator to assist in the offloading and deployment of the materials.
8. Fuel is to be provided by yourselves for the excavator.
9. Site de-watering and dust control will remain your responsibility.
10. This quotation remains valid for acceptance up until the 30<sup>TH</sup> June 2023.
11. Please allow 3-4 weeks lead time.
12. All our products and installation will come with a 20 year warranty for the containment liner.
13. All installation work will be carried out by our own Cswip/Twi Certified Technicians and work exceeds Sepa and Ea guidelines.

We trust that we have interpreted your requirements correctly and would welcome the opportunity to discuss this project further with yourselves in due course. If we can be of any assistance in the meantime, then please do not hesitate to contact the writer on [Redacted]
