Householder developments are currently exempt from biodiversity net gain requirements.

However, the 'general biodiversity gain condition' does not apply in relation to planning permission for a development which is the subject of a householder application, within the meaning of Article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended).

Officers would raise concern in relation to the design of the side elevation (north elevation). The overall design of this elevation would appear disjointed, bulky, out of proportion and would form an incongruous and unsympathetic addition which would be at odds with the character and appearance of the host property and surrounding built form.  
Pre Application version has been revised to suit

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No
