We believe in business being a force for good, and in 2020 we achieved something quite remarkable here at Lovat Parks. We achieved B Corp certification.

B Corp stands for Better Corporations. It's a movement of businesses who want to use their work to benefit people, communities and the planet. It's hard to become a B Corp, and we're so proud of the team for achieving it.

But we're not resting on our laurels! (Or in our case, wild flower meadows.) This year we're doing even more, and our full 2022 pledges can be found in our Positive Impact Report at [www.lovatparks.com](http://www.lovatparks.com)
