DC/22/03524/AMD

29th February 2024

Dear Sir/Madam,

**Reference No :** DC/22/03524/AMD

**Proposal :** Amendment to previous planning permission ref 22/03524/FULL6:  
Move the kitchen wall by 170mm to the South in line with the original house.

**Location :** 154 Chislehurst Road Orpington BR6 0DT

Thank you for your request for a non-material amendment which was received on 28th February 2024. We endeavour to determine these applications within 28 days, however sometimes further information or a site visit may be required in which case the officer will make contact with you.

**As a result of an increased number of application submissions and delays at validation stage Planning Officers are currently dealing with a significantly higher volume of applications. This may mean that your application takes longer than the normal 28 day period to be decided.**

**Planning Officers are also receiving a significant volume of correspondence and contact requesting progress updates on applications. To ensure that your case officer is able to focus their attention on the assessment of your application, please check the website for updates on progress rather than contacting the case officer directly to request this. In the event that further information is needed to allow your application to be considered, the case officer will contact you or your agent directly to request this.**

Please be aware the revised local information requirements have now been adopted and can be viewed here - [Validation guidance and local information requirements for planning applications | London Borough of Bromley](#)

Please note that the decision for non-material amendment applications solely relates to whether the change from the original planning permission is material.

Please note that the Council may have amended the description of the proposal and if you have any queries regarding this or any other matter, the case officer for this enquiry is Jacqueline Downey who can be contacted on the number above or by email at [planning@bromley.gov.uk](mailto:planning@bromley.gov.uk).

Yours faithfully

Planning Support Team
