

**Proposal: Proposed single storey side, front, rear extension and entrance porch**

**Site: 6 Badgers Copse, New Milton, BH25 5PE**

**Application no. 24/10124**

### **Arboricultural Statement.**

No. 6 Badgers Close has 2no. Oak Trees in the rear garden with protection orders.

The trees are covered by Tree Protection Order 17/99.

It is proposed to construct a proposed single storey side, front, rear extension and entrance porch.

To prevent any damage to the TPO's, it is proposed to erect tree protective fencing in accordance with BS5837: 2012.

The fencing will be erected prior to commence of any works on site and will protect the trees from damage caused by construction traffic manoeuvring in close proximity to the trees.

The fencing will also restrict building materials being stored adjacent to the trees.

TPO's are also located within neighbouring gardens but these are protected by existing garden boundary fencing.

The protective fencing will be removed on completion of the works.
