EXISTING SIDE VIEW

PROPOSED STREET VIEW ELEVATION

PROPOSED SIDE VIEW

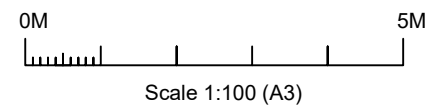

Enclosure canopy for the Air Source Heat Unit to be prefabricated by joinery specialist. Fabrication details to be submitted for prior approval.

Front panel of canopy to be openable.

Front panel to include steel mesh sections to allow venting for the ASHU.

All exposed timber sections to be painted black using external quality micro porous paint.

Canopy roof finish using traditional pentiles to match the colour, texture and workmanship of the main roof tiling.
