IMPORTANT
HEALTH, SAFETY & ENVIRONMENTAL INFORMATION

In addition to the hazards and risks normally associated with the type of work detailed on this drawing, please note the following additional risks to health and safety

Significant risks:

- Contractor is responsible for locating any underground services in the area before commencing works. On site as highlighted there are two existing National Gas high pressure transmission gas pipes.
- Contractor to ensure appropriate measures are taken to avoid damaging existing services. If in doubt contact engineer. Any diversions required are at the contractors discretion.

- General Notes:**
- The copyright of this drawing is vested in Green Cat Renewables Ltd. and it may not be reproduced in whole or part or used for the manufacture of any article without the express permission of the copyright holders.
 - Work to figured dimensions only.
 - This drawing is to be read in conjunction with all relevant Green Cat Renewables Ltd. drawings and specifications.
