## Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

This application is for a 1" steel gas riser, fitted by Cadent Gas, to go vertically (approximately 3 metres) up the side of the ground floor of the High St. building, from the ground to the underside of the first floor jetty, about 4m along Grope Lane. The steel pipe will be next to (and significantly thinner than) an existing downspout, so will be virtually unnoticed by anyone walking along Grope Lane. As owners of the upstairs property being supplied we will be extremely careful to ensure that the fitting is discreet and appropriate. We will also ensure that it is painted so as to blend into the surroundings as invisibly as possible.
