	<u>BIRCH</u>	<u>REMOVE / FELLING</u>	
<p><u>I would like to remove a birch tree which is so close to my plot and is sucking all the moisture out of the ground. I have contacted the previous owners of the plot who have assured me that it was planted by them sometime after 2006 and is no more than 15/16 years old. They bought it as a sapling from Wick for £199. Very little will grow in the area round about it.</u></p>
