Reason for Lawful Development Certificate

Please indicate why you are applying for a lawful development certificate

- An existing use
 Existing building works
 An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

If Yes, to either 'an existing use' or 'an existing use in breach of a condition', please select the relevant Use Class.

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

24 years ago my parents had a conservatory and had the separating glass sliding door removed not being aware planning permission would have been required at that time. We are now selling the property following my mother death in February last year and the surveyor's report has highlighted that planning may be required although the conservatory shows on the planning portal boundary image. It may well be that planning was requested but we can find no record of this.

Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

- The use began more than 10 years before the date of this application
 The use, building works or activity in breach of condition began more than 10 years before the date of this application
 The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
 The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
 The use as a single dwelling house began more than four years before the date of this application
 Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

 No

Please state why a Lawful Development Certificate should be granted

The conservatory was built 24 years ago and will be costly to revert back to the original condition, also this is a nice addition to the property.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No
