The above referenced approved application included consent for the conversion of and front infill extension to the existing integral garage as part of wider proposed works to the property. The other elements of the proposed ground floor works have been completed but the works to convert and extend the garage were not implemented. The applicant would now like to carry out the works to convert and extend the garage but replace the previously retained and re-used garage door with a casement window and leave the previously proposed enclosed porch as an open area in front of the existing entrance door. Given these new amendments and the time frame since the original application was approved we are seeking a new separate consent for these works.

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

## **Authority Employee/Member**

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
