Details of the pre-application advice received

I submitted an enquiry to the Planning Services office (Scarborough Area) to see if I needed planning permission for my proposal to replace my existing porch. The cost of the application was £25. I received a reply which indicated that I would need to apply for planning permission. There was no name attached to the letter I received back from the Planning services office, as it was signed 'Planning Services'.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
