Reason for Lawful Development Certificate

 Existing building works
 An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

If Yes, to either 'an existing use' or 'an existing use in breach of a condition', please select the relevant Use Class.

E(c)(ii) - Professional services

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

Underground/internal room used as a salon. This is used as a Hairdressing and beauty salon and has been in operation since 2013, by my daughters. Originally this room was a void underneath the garage. It was decorated and originally used as a tv room and then in 2013 we installed a water heater and a hairdressing wash station.

 The use as a single dwelling house began more than four years before the date of this application
 Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Please state why a Lawful Development Certificate should be granted

The business has been operating for more than 10 years, for which evidence is attached. My daughters do not work every day and only ever one at a time and only servicing one client at a time. Our driveway provides parking for up to four cars and my husband and i work full time away from home so there is never any problems with car parking. We believe that this business has no impact on any of our neighbours.

Details of the pre-application advice received

Mr Snell first contacted us last year. Since then we have been in contact with the planning department and unfortunately we were not able to come to a satisfactory conclusion. We were therefore advised by Susan King to cancel our previous planning application and instead apply for a lawful development certificate as this business has been running for over 10 years without any complaints.

Interest in the Land

Please state the applicant's interest in the land

- Owner
- Lessee
- Occupier
- Other

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No
