All other windows to undergo repairs to timber and replacement of glazing where required. Extent of repairs will be determined by the condition of each individual window immediately prior to works commencing and during works.

The windows are currently deteriorating and due to applying for a funding grant for the works, the windows may deteriorate further prior to works commencing.

* No. of windows to be completely replaced is based on initial investigations. This may change after works commence where windows are found to be in better or worse condition than currently expected.
