Electricity Act 1989: Overhead Lines (Exemption)(England and Wales)
Regulations 2009

It is proposed to undertake the following work that is considered to be exempted from Section 37 of the Electricity Act 1989 by falling within the Overhead Lines (Exemption)(England and Wales) Regulations 2009:
Particulars of proposed development:-

National Grid Electricity Distribution propose to install an additional wood pole support in the existing 11KV overhead line at land adjacent to Mill Barns Wedding Venue, Alveley, Bridgnorth Shropshire WV15 6HL in order to improve the ground clearance of the overhead line. The landowners have consented to the additional pole. Please see the attached plan for details.

The Council is requested to indicate that it has no objection to the work being carried out by returning two copies of this Form with the Certificate completed and signed.

Yours faithfully
