Is the proposed development reasonably necessary for the purposes of agriculture?

Yes

No

If yes, please explain why

We have received grant funding from the government to renew the agricultural yard with concrete.

The grant improves and upgrades yards to reduce foul drainage run off and makes cleaning easier and reduces the risk of water and air pollution.

It will help settlement being brought onto Badingham Road and makes it safer for our arable team when driving in the yard as it will then be a level surface. This was identified in our risk assessment.
