
Access and statement design for Woodruff The Orchard Ewell

The submitted planning application is for the election of a detached Timber garage the front elevation will be rendered to match the Front elevation of the existing bungalow side and rear elevations Will be cladded in woodgrain black pvc boarding and the roof will be plain roofing tiles. The surrounding properties in The Orchard are mainly detached bungalows built in the 1950s. The Orchard is a private road and unfortunately is in a bad state of repair. The proposed garage does not impact on the street scene or adjoining property and the height has been kept to a minimum
