Proposed Outside View

Proposed Inside View

The proposed door is a steel-reinforced 70 mm Rehau uPVC Flood Door finished in RAL 7045 Grey externally and RAL 9016 White internally. It is a standard threshold (72mm), outward opening door. It is hinged on the left when viewed from the outside. It is a full length panel insert with a 3mm mild steel plate attached to the exterior of the panel for added security, the steel plate is also coloured RAL 7045 Grey. It has chrome lever handles, suitable for a fire exit and the current door letterbox will be reused.

SURFACE FINISH: TOLERANCES: LINEAR: ANGULAR:		FINISH:		DEBURR AND BREAK SHARP EDGES		UNLESS OTHERWISE SPECIFIED: DIMENSIONS ARE IN MILLIMETERS
