Proposed Outside View

Proposed Inside View

The proposed door is a steel reinforced 70 mm Rehau uPVC Flood Door finished in RAL 5000 Violet Blue. It has a standard threshold (72 mm) and is inward opening. The door is hinged on the right when viewed from the outside with 4 flag hinges. It has Satin Silver lever handles, suitable for a fire exit, and a matching silver letterbox. There are silver numerals for '12A'. The door has a York panel design with 6 rectangles in raised moulding.
