## Comment Details

Commenter Type: Neighbour

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I am writing to express my support for the retention of the fence situated at 5 Lancashire Hill. As a resident immediately next to number 5, I am most impacted and this fence gives additional privacy and security to myself and number 5.

Given its non-intrusive nature to the rest of the neighbourhood and the benefits it brings to those closest, I see no valid reason for its removal.
