Details of the pre-application advice received

Taken from email dated: 5th Feb 2024 in response to a query from us seeking confirmation on if LBC was needed for this pot addition.
"This would need listed building consent, as per Historic England guidelines, however there is unlikely to be an objection to this. Also, as this is to help prevent the roof catching on fire, there is a definite benefit!"

- (a) a member of staff
- (b) an elected member

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
