Description of the Proposal
Please note in regard to:
 Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance. Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below. Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.
Description
Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)
Installation of removable flood defence barriers to 3 entrances to property at ground level. Installation fixings are permanent and unobtrusive. Flood barriers are removable and not routinely fitted. Application is retrospective due to the need to protect the property from recent storms, most notably Storm Henk. The property has flooded and required emergency service response as well as resilience plan implementation.
