All dimensions are to be checked before commencement of building works with any errors reported to Hosannah's Limited Company. (All dimensions are in millimeters - mm)

Any construction work carried out before planning and building regulation approval is entirely at the house owner's risk.

*The existing plans and elevation dimensions were obtained using a measuring kit and photographic images as far as access has permitted)
 * All dimensions must be checked on site.
 * All dimensions are "finished" i.e. to the plaster surface.
 *All existing external solid walls or internal stud-work to be confirmed on site.
 *All dimensional discrepancies discovered must be reported immediately before any proceedings.
 *Although every effort has been made to ensure accuracy of all trees and planting where applicable, elevations/3D visualisations and colourings are for illustrative purposes only.
