Dear Sir or Madam,

I am writing to
give my support to Mr. Paul Galletty
of the Old Shop in Stutton for the use
of white Cladding on his property.
I think it enhances the look of the
building, which was suffering large
cracks to the old surface mainly
due to the constant heavy
traffic through the village.

I do not think it looks out of
place and suspect it was originally
brick then plastered over at some time,
the shape and roof line are still
the same and I believe it is not
a listed building.

Yours faithfully

MRS. SUSAN TYE.
