**Identification Of Tree(s) And Description Of Works - Please identify the tree(s) and provide a full and clear specification of the works you want to carry out**

Previous Answers:

T1 - Crab Apple tree approximately 8 meters in height, situated in the front garden. The base shows poor root development whilst the crown has a surpassed form due to a larger nearby Ginkgo.

The description of the works is: remove the Crab Apple tree and a replacement tree is to be planted in a convenient location of the front garden. The Dulwich Estate has recommended three alternative species for consideration.
