This Message originated outside your organization.

Good morning Fay,

Please see documents attached in response to letter received on 26.02.2024.

I confirm acceptance of the amended application description. See separate tree works application attached. The three documents titled '1342.bjh.tcp.Feb24', '1342.bjh.tpp.Feb24' and '1342.bjh.AMS.SylvesterBrown.Chichester.15.02.24' relate to this application.

A heritage statement was included within the application (within the design and access statement), however, I have now amended this document to include further information. This document also includes the Flood Risk Assessment.

I hope that you now have everything required to validate this application.

Many thanks,
Vicki Styles BA(Hons) Arch, MArch, DipArch, ARB, RIBA
Architect
