

## **Five Paddocks Farm, Bracklesham**

### **Use of travelling showperson storage areas for storage of containers for use by travelling showpeople and non-travelling showpeople**

---

#### **Noise:**

The subject areas have lawful [permitted] use for travelling showpersons storage and maintenance yard.

The current use lorry container storage use for both the public and showpeople.

The extent of maintenance is far lower and the show items are stored in containers and are small in scale.

The land could be used to store and maintain very large fair items.

Accordingly it is considered that the current, unauthorised, use is more low key and generates less noise.

#### **Surface Water Drainage:**

There is a large area of historic type 1 hardcore which a scalping topping which covers the whole of the application site.

The run off from the lorry containers which just sit on the hardstanding will run off onto the hardstanding.
