Permission is granted with the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this decision.

REASON: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the approved plans as set out in the Schedule.

REASON: For the avoidance of doubt as to the nature of the development hereby permitted, to ensure development is carried out in accordance with the approved application details, to ensure that the development is carried out with the minimum harm to the local environment, in accordance with the Policies of the Uttlesford Local Plan (adopted 2005) as shown in the Schedule of Policies

- 3 An Archaeological Programme of Trial Trenching followed by Open Area Excavation

1. No development or preliminary groundworks of any kind shall take place until a programme of archaeological investigation has been secured in accordance with a written scheme of investigation which has been submitted by the applicant and approved in writing by the local planning authority.

2. No development or preliminary groundworks of any kind shall take place until the completion of the programme of archaeological investigation identified in the WSI defined in 1 above.

3. The applicant will submit to the local planning authority a post excavation assessment (to be submitted within six months of the completion of the fieldwork, unless otherwise agreed in advance with the Planning Authority). This will result in the completion of post excavation analysis, preparation of a full site archive and report ready for deposition at the local museum, and submission of a publication report.

Reason: In the interests of the archaeological deposits in the surrounding locality in accordance with Policy ENV4 of the Uttlesford Local Plan (adopted 2005)

- 4 Details of all hard and soft -landscaping and boundary treatments shall be submitted to and approved in approved in writing by the local planning authority prior to works commencing.

Reason: In the interests of the visual and landscape amenity of surrounding locality in accordance with Policies S7 and ENV1 and ENV3 of the Uttlesford Local Plan (adopted 2005)

- 5 No mechanical plant shall be installed until a noise assessment of the proposed mechanical plant has been submitted to and approved in writing by the Local Planning Authority. The assessment shall be carried out for in accordance with BS4142:2014+A1:2019 methodology. The predicted specific sound level (LAeq,TR) (with reference to BS:4142) as measured at a point 1 metre external to the nearest noise-sensitive facade shall be at least 10dB below the pre-existing background sound level, LA90,T when all plant/equipment (or any part of it) is in operation. The predicted rating level, LAr,Tr (specific sound level plus any adjustment for the characteristic features of the sound) as measured at a point 1 metre external to the nearest noise-sensitive facade (habitable window of a dwelling) shall not exceed the pre-existing background sound level, LA90,T when all plant/equipment (or any part of it) is in operation. The plant shall thereafter only be installed in accordance with the assessment and shall thereafter be maintained so that it operates to the same standard.

REASON: To safeguard the amenities of the adjoining neighbouring occupiers and the surrounding area in accordance with Policies GEN2 and GEN4 of the Uttlesford Local Plan (adopted 2005) and the NPPF

- 6 The applicant should ensure at all time the control of nuisances during construction works to preserve the amenity of the area and avoid nuisances to neighbours in the form of:
- a. No waste materials should be burnt on the site, instead being removed by licensed waste contractors
 - b. No dust emissions should leave the boundary of the site
 - c. Consideration should be taken to restricting the duration of noisy activities and in locating them away from the periphery of the site
 - d. Hours of works: works should only be undertaken between 0800 hours and 1800 hours on weekdays; between 0800 hours and 1300 hours on Saturdays and not at any time on Sundays and Public Holidays

Reason: In the interests of the amenity of surrounding locality residential/business premises in accordance with Policies GEN1, GEN2, and GEN4 of the Uttlesford Local Plan (adopted 2005)

- 7 Prior to their first use on site, samples of the materials to be used on the external finishes shall be submitted to and approved in writing by the local planning authority. The development shall be thereafter implemented in accordance with the approved details and permanently maintained as such.

Reason: In the interests of the appearance of the development and to accord with Policies GEN2 and ENV1 of the Uttlesford Local Plan 2005.

Notes:

1 Building in Accordance with the Plans

Planning permissions are given on the basis of the details submitted. If you plan to make any changes whatsoever to deviate from the approved plans then you are strongly advised to liaise with Uttlesford District Council Planning Services prior to undertaking any works. You may require a new planning application or a variation to your existing permission. Failure to construct in accordance with the plans could lead to potential Enforcement Action.

Requirement to Comply With Your Conditions

Please read all of your conditions carefully. All of your conditions must be complied with. Failure to comply in full with a planning condition placed upon your permission may result in potential Enforcement Action. Planning conditions require certain things to be done at certain times, often prior to the commencement of any works. If you are in any doubt as to the requirements of your conditions please liaise with Uttlesford District Council Planning Services.

Building Regulations

Did you know that this permission may require Building Regulations approval? For further information please contact the building control team on 01799 510510, or by emailing building@uttlesford.gov.uk or by visiting our website www.uttlesford.gov.uk/buildingcontrol

Rights of Way

The applicant is reminded that the grant of planning permission does not entitle them to obstruct a Right of Way. If it is necessary to stop up or divert a footpath or bridleway in order to enable the development to be carried out, they should, on the receipt of planning permission, apply without delay to the Local Planning Authority for an order under section 257 of the Town and Country Planning Act 1990. In the case of any other right of way, application should be made to the Secretary of State for an order under section 247 of the Act. In either case development shall not be started until a decision has been taken on the application.

Purchase Notice

If either the Local Planning Authority or the Secretary of State refuses permission to develop land, or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonable beneficial use in its existing state, nor can they render the land capable of a reasonably beneficial use by the carrying out of any development which has been, or would be, permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Planning Act 1990, or section 32 of the Planning (Listed Buildings and Conservation Areas) Act 1990, as appropriate.

You are advised to seek professional advice before embarking on the serving of a purchase notice.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused, or granted subject to conditions, by the Secretary of State on appeal or on reference of the application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
