Description of Proposed Works

Please describe the proposed single-storey rear extension

Single storey extension to the rear of the property, extending 5m beyond the original rear wall, following demolition of existing extension. The proposed extension comprises of a flat roof with eaves height of 3m measured from external ground level, and highest point of 3.1m measured from the external ground level. The proposed extension also comprises of bi-folding doors, window and a rooflight, with rendered walls to match existing.

Measurements

Please provide the measurements as detailed below.

Where the proposed extension will be joined to an existing extension, the measurements provided must be in respect to the total enlargement (i.e. both the existing and proposed extensions) to the original dwellinghouse.

How far will the extension extend beyond the rear wall of the original dwellinghouse (in metres, measured externally)

5.00	metres
What will be the maximum height of the extension (in metres, measured externally from the natural ground level)	
3.10	metres
What will be the height at the cause of the outersion (in mature, macround outermally from the natural ground level)	

What will be the height at the eaves of the extension (in metres, measured externally from the natural ground level)

3.00 metres
