

**Site: Langdales, New Road, Weedon, HP22 4NN**

**T5 & T 4 Sycamores (T4 TPO)**

**Two large Sycamore in garden**

Previously reduced and now supporting dense reactive growth

As client requested:

Reduce both all round by 20% to contain by removing up to 2.5m apical and lateral growth approximately 1 metre below previous pruning points to create smaller more compact crown
