- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. Notes in Respect of All Applications

- Although Planning Permission or Advertisement Consent may have been granted, should the proposed work involve the demolition, alteration or extension of a Listed Building, Listed Building Consent may also be required before the work can commence.

- This permission does not authorise you to stop up or divert a public right of way to enable the development permitted to be carried out. Separate legal steps are necessary for this and further information can be obtained from: [Public Rights of Way \(somerset.gov.uk\)](#)
- If planning permission has been granted for development involving the creation of one or more properties needing new addresses you will need to contact the Street Naming and Numbering department of Somerset Council, for assignment of the official address/es.
