Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Please state why you wish to make this amendment

Due to an error from our architects, it was discovered that the proposed design wouldn't work without the replacement of a dining room window to the right of the extension and the subsequent lintels and re cladding that would be involved.

The pitched roof detail then ran over the window, meaning it would look unsightly and prevent the window opening.

Our only viable solution was to switch to a flat roof detail with a glass roof light which would prevent the blocking of the existing window and match other flats roofs around the property. We also believe it will lessen the impact on the street scene as well.

Are you intending to substitute amended plans or drawings?

Yes

No

With respect to the Authority, is the applicant and/or agent one of the following:

- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

- No
